Summary of Non-Thoroughbred Mare Returns

FOREWORD

We are delighted to provide this, the third supplement to Volume 2 of the Saudi Arabian Stud Book Return of Mares. It contains a record of the 2006 foal crop in the Kingdom.

For the first time Volume 1 of the Saudi Arabian Stud Book Non-Thoroughbred Register has been produced within this publication in addition. This Volume will incorporate all Non-Thoroughbred's that have been registered up to and including 2006 produce. This is the first time such details have been published in full and they will continue to appear in future editions of the Return of Mares on a yearly foal crop basis.

We trust you will find these records of the ever-expanding Saudi Arabian breeding industry, an interesting and valuable guide to progress in the Kingdom.
